*"But thanks be to God, who always leads us in triumphal procession in Christ and through us spreads everywhere the fragrance of the knowledge of him."

The Church in Nepal

Nepal is geographically isolated, with difficult terrain, poor infrastructure, and susceptible to natural disasters; these problems are exacerbated with an unstable government. A strong Church, started in 1952, has grown in spite of the suffering and persecution. Nepal has some of the poorest levels of general health care internationally. 20% of the hospitals and clinics in Nepal are run by Christian organisations, including some served by CMS missionaries.

Serving at KISC

Together we serve at KISC (Kathmandu International Study Centre) where David is the senior school principal. 76% of KISC students come from a Christian background, many of whom are children of missionaries in Nepal. The remaining 24% are seeking an international education. There are more than 30 different nationalities represented by the 200+ students and the staff. KISC relies on volunteers to keep tuition fees as low as possible.

"KISC enables students to go anywhere in the world and positively impact it for the glory of God." (Daniel Parnell, KISC Director)

Elizabeth is using her medical and dental training to serve the people of Nepal where opportunities arise with our partner organisations.

Through CMS, we are working with local Christians in providing education and health services. Please join us in this work, so that the Gospel of Christ is proclaimed and the fragrance of the knowledge of Jesus is spread amongst the people of Nepal.
